

**DXB2725JG**

## **Branch Manager (Freight & Logistics) - KSA**

Our client is a leading global freight and logistics company focusing on a diverse range of market sectors which include industrial, oil & gas and energy. They are looking for **Branch Managers** to be based in either **Dammam** or **Riyadh**.

Reporting to the Country Manager, your primary responsibility is to lead and manage all aspects of a high-volume supply chain logistics and freight operations.

### **Requirements:**

- An experienced Manager with proven **Operational and Commercial** success with a reputable Logistics / Freight Forwarding business in the Middle East.
- Strong Logistics & Freight Services Operations experience -- having dealt with Oil & Gas or large multinational clients/accounts an advantage.
- Demonstrated success in leading, managing and developing staff and high performance teams.
- Experienced in financial management (P&L, Balance Sheets, forecasting and budgets).
- Experience in strategic planning and execution.
- Proficient in project management methodologies with a focus on developing solution driven strategy plans.
- Excellent communication & presentation skills in English and Arabic.
